

Joint Service Safety Council April 2008 conference

Action Items FINAL

Action Item #1

- Issue: Military Health System conference
- Who: USN, USAF, USA, USMC
- Task: RADM Tedesco to attend subject conference in Dec 08. He is soliciting ideas from the other services on ways the medical community can better contribute to efforts to reduce young servicemember fatalities. How can they better contribute to service mishap reduction efforts.
- Due: by next JSSC conference (Sep/Oct08)

Action Item #2

- Issue: Driver History initiative
- Who: CMC SD
- Task: Provide other service safety centers with report of the effectiveness of the Driver History pilot program that is currently being conducted. Intent is for services to evaluate program effectiveness. If determined to be effective, JSSC to engage OSD to put a program in place
- Due: Next JSSC conference.

Action Item #3

- Issue: Motorcycle simulators
- Who: CMC SD
- Task: USMC plans to purchase motorcycle simulators for use by units on the west coast. Task is to collect metrics yet to be developed. Once these simulators are in place to determine effectiveness of the simulators to reduce motorcycle mishaps. Deliver analysis to the other service safety centers.
- Due: Provide update or final report at next JSSC conference.

Action Item #4

- Issue: DSOC restructuring proposal
- Who: USA CRC
- Task: DSOC restructuring proposal briefed by USA CRC at the conference. Task is to rework proposal based upon comments made during the conference and staff through other services in order to formulate a JSSC agreed position.
- Due:
 - Out for staffing: 9 Apr 08
 - Final product: 15 Apr 08

Action Item #5

- Issue: Brief restructuring proposal to Mr. Angello
- Who: JSSC members (USA CRC lead)
- Task: Task is to provide a brief on the DSOC restructuring proposal agreed to by the JSSC to Mr. Angello. JSSC ESC to work with DSOC Exec Sec to schedule the brief. Window #1: 16-18 Apr. Window #2: 14-16 May. Other JSSC members to attend brief in person or by VTC.
- Due: NLT 10 Apr 08

Action Item #6

- Issue: Joint Motorcycle Riders Focus Group
- Who: All services. USAF lead
- Task: Form an ad-hoc WG with rep from each service to develop a plan for a joint motorcycle riders Focus Group. Plan shall include methodology to conduct the focus groups, questions to ask, locations and groups to participate and estimate of costs. WG to use Human Factors expertise to craft focus group questions. Once plan is developed, route to all JSSC members/staffs for review/concurrence. Plan is to seek DSOC funding for this effort.
- Due:
 - 1) identify members to ad-hoc WG: 16 Apr 08
 - 2) Ad-hoc WG produce focus group plan: 1 Jun 08
 - 3) Complete staffing of the plan: 20 Jun 08

Action Item #7

- Issue: Changes to mishap thresholds
- Who: CMC SD
- Task: CMC SD briefed proposal to change mishap thresholds. Task is to produce an information paper and brief template addressing this issue and distribute to the JSSC members. JSSC members to tailor information paper for staffing through their respective service leadership.
- Due: 11 Apr 08

Action Item #8

- Issue: Next JSSC conference
- Who: USA CRC
- Task: BG Forrester offered to host the next JSSC conference at Ft Rucker in the Sep/Oct 08 timeframe. Task is to set the date for the next conference in coordination with the other JSSC members
 - Proposed windows:
 - 1) 24-25 Sep (Primary) (travel on 23 Sep)
 - 2) 1-2 Oct (Alternate) (travel on 30 Sep)
- Due: 1 Jul 08 (confirmation of date)

Action Item #9

- Issue: protection of safety information
- Who: JSSC member commands (JAs/JAGs)
- Task: Identify current and future safety programs, initiatives and data that require legislative protection then draft proposed legislation in broad terms to provide protection. Coordinate with service Judge Advocates and Offices' of Legislative Affairs. Ensure efforts are harmonized with initiatives currently underway.
- Due: 30 May 08
